Did Jesus Talk About Apophis - Wormwood

It Certainly looks like a huge possiblity when you dig into all of the facts and lore that surroung the Wormwood Star data in Prophecy and what our scientific observers are saying.

As usual, the Bible gives us very sketchy information about EVERYTHING. . We get a verse here and there or maybe bit more so it is our job to piece this data together using not just the Bible and Prophecies but by digging into ancient history, archeology, geology science, legends etc., while also listening to what other ancient cultures said about subjects like Apophis as methods the gods (aliens) used for destruction.

I tend to focus on what Jesus seems to have taught and view the Old Testament as a quasi fictional account on most subjects.

JESUS AND THE SIGNS OF THE TIMES

Yes Jesus did allude to an asteroid/star STRIKE in the Bible. Let's look at what he said and what we find in Revelations and Daniels End Time Prophecy Warnings and by others who DO THEIR HOMEWORK.

Asteroid Apophis: Space Rock 'God of Chaos' To Hit Earth Soon, Hereâ€™s Exact Location Of Impact

Asteroid Apophis Is Also Known As â€˜God Of Chaosâ€™. Michael Horn Revealed That The Apophis Would Definitely Hit Earth And Cause Mass Destruction Wherever It Hit. Horn Further Claimed That He And His Team Have Narrowed Down The Area To Between The North Sea And The Black Sea.

New Delhi:

Asteroid Apophis is also known as 'God of Chaos'. It is to be noted that the 370m-wide space rock is potentially on a collision course with Earth. If the supergiant asteroid hits the Earth, it would leave a crater more than a mile wide and a 518 metres deep. It is also worth mentioning here that if Apophis hits Earth, the impact of the asteroid would be equivalent to 880million tons of TNT being detonated – 65,000 times as powerful as the nuclear bomb which was dropped on Hiroshima. The space rock was first discovered in 2004. NASA had then said that the asteroid may hit Earth in 2029. If not, then it may hit Earth on April 12, 2068. Yes, you read it right. However, research scientist and official representative for Billy Meier, Michael Horn has claimed that he and his team have discovered the exact impact zone of the destructive 'God of Chaos' Apophis asteroid will be.

Notice the reference that hearts will fail people for fear of what is coming onto the earth. The Apophis STRIKE will look like stars falling from the heavens. Jesus describes it as a "great star burning like a tourch" that causes wide spread death.

Jesus did not mention the asteroid Apophis by name, as it is a modern discovery. However, in what is commonly known as the Olivet Discourse (Matthew 24, Mark 13, and Luke 21), Jesus described specific signs that many prophecy interpreters associate with the end times, some of which are linked to the "Wormwood" prophecy in Revelation 8:10-11, which is sometimes interpreted as a future asteroid impact.

According to the Bible, Jesus stated the following signs would precede the end:

Specific Signs in the Heavens and Earth

- **Signs in the Sun, Moon, and Stars:** Jesus stated in Luke 21:25 there would be "signs in the sun, in the moon, and in the stars".
- **Distress of Nations:** There will be global panic and "distress of nations, with perplexity, the sea and the waves roaring" (Luke 21:25).
- **Fearful Expectations:** "Men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken" (Luke 21:26).
- **Stars Falling:** Jesus described a time when "the stars will fall from heaven" (Matthew 24:29). Bible Gateway +1

If and when Wormwood or Apophis strikes, the Mosque in Jerusalem seems to be the Temple that will be destroyed in the process that stands in the holy place in Jerusalem. The strike will cause unprecedented damage and cause unprecedented loss of life. It will happen during a time of civil unrest where hearts have grown cold and people will turn their backs on religion and began to promote the aliens

as gods. Jesus told us to know these enemies, to prepare, move to higher ground and when the time is right to go inside shut our doors and hang tight. He stated that what is happening is not meant for his people but for the NWO DEEP STATE MOVERS AND SHAKERS in general, the JROCCC and those who teach and practice the OLD ALIEN WINE IDEOLOGIES (misinformation, disinformation and lies) essentially.

Key World Events and Conditions

- **"Beginning of Sorrows":** Jesus identified "wars and rumors of wars," "famines, pestilences, and earthquakes in various places" as the start of these signs (Matthew 24:6-8). Amazing Facts
- **The Abomination of Desolation:** Jesus referred to the "abomination of desolation," spoken of by Daniel the prophet, standing in the holy place (Matthew 24:15). Quora +2
- **Great Tribulation:** A period of unprecedented persecution and trouble (Matthew 24:21). Quora +1
- **Global Deception:** Rise of false prophets and false Christs, with many claiming to be the Messiah (Matthew 24:5, 24:11). Bible Gateway
- **Moral Decline:** Increased lawlessness and the love of many growing cold (Matthew 24:12). Life, Hope & Truth +1

Context of Apophis/Wormwood

While not directly named by Jesus, some commentators link the Apophis asteroid to the "Wormwood" star of Revelation 8:10-11, which is described as a "great star... burning like a torch" falling from heaven, making the waters bitter. The Bible describes this event as causing widespread death.

Disclaimer: Biblical interpretation varies. While some interpret these passages as litera celestial objects, others view them as symbolic of spiritual or political events, and many scholars state that equating ancient prophecy with specific modern asteroid discoveries is speculative.

Jesus warned about the destruction of great buildings. It looks like the period will be during the Gog Magog and Battle of Armageddon wars in the Eastern Hemisphere at the end of this current earth age, church age and or Earth generation which is today.

It will end the JROCCC RELIGIONS and the MIDDLE EASTERN RELIGIONS, which are the OLD ALIEN WINE TEACHINGS JESUS WARNED US AGAINST when he came to teach his people his NEW WINE instead. The JROCCC teaches the OLD ALIEN WINE. The destruction of the JROCCC will put an end to those teachings, which have always been PRIOUS FRAUDS. WE HAVE BEEN LIED TO FOR A LONG TIME BY THE CHURCH AND STATE.

PIOUS FRAUD
Fraudulent practices that the Church Fathers/Church employ in order to elevate the tiny first century Jewish cult to the status of a religion, that came to be called as Christianity.

Yes, Jesus explicitly predicted the destruction of the Temple in Jerusalem, anchoring this prophecy within discussions of the end times, judgment, and his future coming. In the Olivet Discourse (Matthew 24, Mark 13, Luke 21), he declared that "not one stone will be left on another" of the temple buildings, a prophecy fulfilled in A.D. 70. Bible Gateway +4

Key Details of Jesus' Prediction:

- **The Prediction:** While leaving the Temple, Jesus told his disciples, "Do you see these great buildings? There will not be left here one stone upon another that will not be thrown down" (Mark 13:2). Drive Thru History with Dave Stotts +1
- **Context of End Times:** The disciples linked this predicted destruction to the "end of the age" and his coming, asking for signs of when these things would happen. Bible Gateway +1
- **Signs of the End:** Jesus listed signs including false messiahs, wars ("nations rising against nations"), famines, earthquakes, and intense persecution of his followers. Christ Over All +1
- **The Timing:** Jesus indicated this would happen within "this generation" (Matthew 24:34), which many theologians interpret as the destruction of Jerusalem and the temple by the Romans in A.D. 70. Reddit · r/theology +4
- **Significance:** This destruction signified the end of the Old Covenant system and its sacrifices, marking a major turning point in biblical prophecy. Benedictine College

While some interpretations focus purely on the A.D. 70 historical event, others view these prophecies as having a dual fulfillment, referring both to the destruction of the Temple and the final end times events. Christ Over All +1

It looks like Apophis will set off a series of global cataclysmic changes by causing a domino effect globally of earth shaking events such as earthquakes, volcano's, and global costal and low lands flooding. Gordon Michael Scallion was a sort of modern day visionary who had dream visions of what the earth would look like after these global devastations. He used global flood or elevation maps to design his maps. Edgar Cayce also predicted these global cataclysmic events but his were not a damaging as Scallions. Scallion referred to his maps as the WORST CASE SENIOR'S.
